## Awards Nomination for Connect's Learning Centre

Highlighting our outstanding work in the local community, Workability Plus for Cheshire West and Chester Council have nominated Connect's Learning Centre at Ellesmere Port, Wirral, for an award in the 'Proactive Support for an Individual' category.

The nomination reflects the positive encouragement and practical help that our staff members have given to the *learndirect* learners who have been referred to the Centre by Workability Plus. As well as working with the learners to make it possible for them to gain NVQs without being in formal employment, the Centre has provided mock interviews and work experience in marketing and advertising. The learners have subsequently moved into paid work.

The awards will be announced at a ceremony at the Crowne Plaza Hotel in Chester on 26 November 2009. Given our success in helping people back into employment we hope we're in with a great chance!
